20/Apr/2026

**Dear Dr. Zhang Deng ,**

We invite you to attend the International Conference of Building and Simulation (BAS 2026), which will be held at The Hong Kong University of Science and Technology (HKUST), Hong Kong SAR, China, from 11 to 14 June 2026.

BAS 2026 serves as a premier international platform for professionals and scholars in the fields of building performance simulation, energy systems, and environmental design. The 2026 theme, “Climate Neutral Buildings and Cities”, reflects our shared commitment to advancing sustainable technologies and resilient urban development.

The conference will bring together researchers, architects, engineers, environmental scientists, and policymakers to exchange the latest advances, share best practices, and explore innovative solutions that support the transition toward climate-neutral and energy-efficient built environments.

As a valued participant, your contribution will enrich the discussions and inspire future collaborations. We warmly welcome you to Hong Kong, a city renowned for its world-class research, sustainable infrastructure initiatives, and vibrant cultural atmosphere.

Please use this letter as a supporting document for your visa application. Should you require further information or assistance, please contact the BAS 2026 Secretariat at [bas2026@ust.hk](mailto:bas2026@ust.hk).

We look forward to your participation in Building and Simulation 2026.

Sincerely,

Prof. Yan Da  
Tsinghua University

Prof. Wang Zhe  
The Hong Kong University of Science and Technology
